PIONEER 1969

VOLUME: XXI

We Had An Experience . . .

With Warner Robins

To stop, to look, to listen and learn. To be alone, yet together. To fit, not only into the easy, tireless routine of endless weeks, but into the hasty buzzing noise of an active high school.

Time and people work as one to make things fit, to give them meaning. Crowds gather, yet individuals leave. Going and coming, are all separately alike.

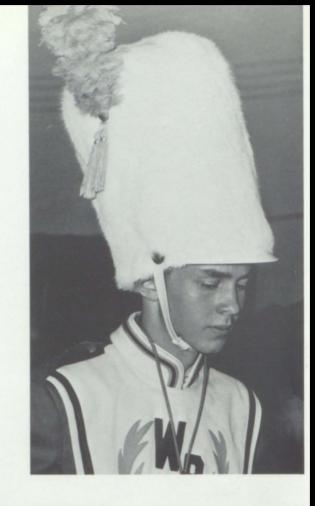

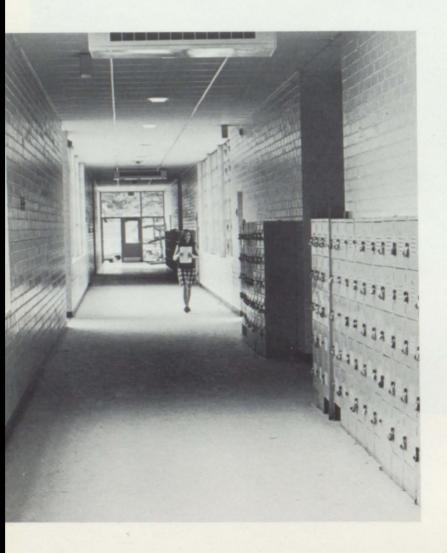

All live and love, and cruely hate. A single shadow follows all, yet becomes an individual in the light. Darkness hides the differences found. We have come and fit; now we are one

PEOPLE

Dedication

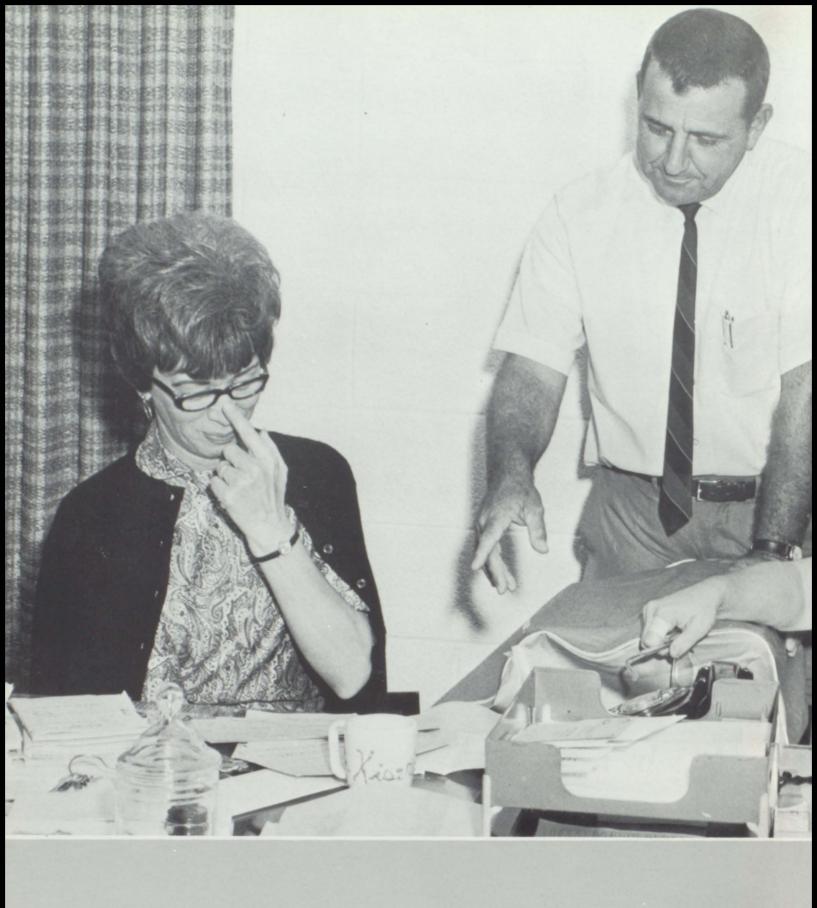

Because of your countless contributions to us and because of your willingness to always help, we thank you. As a scholar you have been a constant inspiration; as a teacher you have shown us the value of knowledge and truth. WI Warner Robins High

HS School Concert Band Under the superb leadership of Mr. E. C. Warnock the Dixie Demon Marching Band of Warner Robins High School has become a valuable asset. During the fall of the year the band participated in the half time shows at the football games and gave you that added touch of spirit. The student body never appreciated more the band's attendance at the football pep rallies, which was one of the reasons the spirit was so high this year. The Warner Robins Dixie Demon Marching Band has performed also for out-of-school functions. This year they performed in the Annual Christmas Day Parade in Warner Robins and Macon. On December 20 in the Warner Robins High School gym the Concert Band, also under the direction of Mr. Warnock, put on an inspiring Christmas show for the benefit of all students and faculty.

The Dixie Demon Marching Band and the Concert Band of Warner Robins High are both splendid. Much of the credit for the progress of these bands is due to the splendid leadership of Mr. Warnock. He has been with the Warner Robins High School band for two years and his presence has been seen and appreciated in the way he handles the bands and manages to turn them into polished performing groups. We hope these bands will continue to improve and Mr. Warnock will continue to direct in the same style he has for the past two years. The Drum Major for the school year is Steve Williams. His presence is noted on the football field at half time as he leads the Dixie Demon Marching Band in their routines and band patterns. We the students of Warner Robins High would like to acknowledge the bands as the best we have ever had and we hope they will continue on in this tradition. We are proud of our bands' fine showing and the dedication they have shown in this school year.

HISTORIAN Nancy Moleski

The Bi-Chemi-Phy Science Club was organized to promote an informal as well as a formal approach to the field of science.

To be a member, a student must be a sophomore, junior, or a senior with an overall average of 85, have a lively interest in science, and be accepted by a vote of the active members.

As an active club, they have many service projects which aid the school as well as the community. The pleasure has been theirs to hear talks by prominent speakers in many fields of science. One of the most interesting aspects of club activity is their field trips. They have traveled throughout Georgia and in some cases, out of the state.

They welcome warmly those with an interest in science.

Student Council

PRESIDENT'S MESSAGE

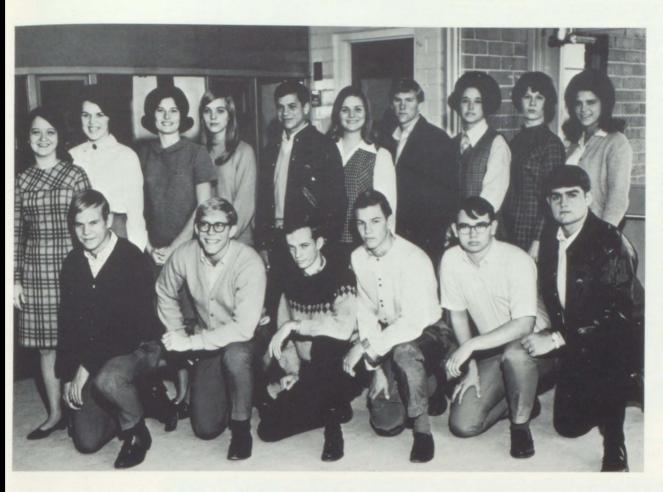

The Student Council — student government — an organization meant to serve, to represent the student body of WRHS. Her members are meant to lead, to accept honor, to share responsibility, and to meet challenges. This year the Student Council took a step closer to becoming a true organization. As time passes, and varieties of people come and go, I hope similar steps will bring the council to that utopian state and that WRHS will have a truly effective, functioning student government.

Success lies in officers and representatives who accept the challenge and a student body that backs them. It has been my extreme pleasure to have such a group of people surrounding me and I sincerely hope that succeeding presidents will have the same good fortune.

The Regents Club provides for a scholarship fund given at the end of each school year to some deserving Warner Robins High School student. The student is selected by the Regents with the advice of the administration. The main project for acquiring the money for this fund is that of selling a Warner Robins High School calendar featuring 26 senior boys and girls. Regents is an organization consisting of 25 girls from the senior, junior, and sophomore classes. We strive to help in some way, to the betterment of the school and the student body.

LT. COL. AND MRS. E. L. McCLUNG FOR THE USE OF THEIR HOME TO TAKE THE MISS PIONEER PICTURES.

SANDRA RICH, 1968 MISS MERCER, FOR JUDGING THE MISS PIONEER CONTEST

This brings to the end the 1969 Pioneer. I sincerely hope this year-book has managed to capture some of your more exciting moments at WRHS. For me this has been my best year at WRHS and I shall always remember the faculty, administration, and especially the student body for making it more complete.

I hope I speak for all of you when I say this yearbook is definitely the best yet. We, of the Pioneer staff hope you enjoy reading it as much as we did putting it out.

My very special thanks go to Mrs. Sandy Scott and the Pioneer staff for the tremendous work they have done this year.

Ralynne Kiser EDITOR
